The 1959-60 season has been one of the most successful for many years. The team won 11 matches, drew 1, and lost 3. Throughout the season the team have had only 19 goals scored against them, and have succeeded in scoring 74. The fact that 7 members of last year's team remained, proved a distinct advantage. The newcomers were J. Hellewell, D. Hughes, G. Picken and T. Cosgrove, who amply filled the vacant positions, and combined well with the rest of the team. On December 5th the Wakefield and District Hockey Trials were held in Wakefield. The school was represented by N. Carlile, C. Jordan and E. Toulson. Although two of these people were asked to go to further trials, neither was successful in the final selection. At the end of the Autumn term the traditional Staff v. Girls match was played. The Staff won by 2-1 after a hard, fast game. The Annual Rally was held at Hemsworth on March 26th. In the first round Hemsworth beat Castleford 2-0, after a somewhat difficult game. They then went on to play Hillam, and won by 2-0. With these two victories Hemsworth gained maximum points on Pitch 1, and went forward to the final. The final was played between Percy Jackson Grammar School and Hemsworth. After a strenuously fast game Hemsworth narrowly defeated the Percy Jackson team by 1-0 after extra time. For the first time in the history of the competition, Hemsworth gained possession of the winner's shield.

All members of the team are grateful to Miss Musgrave who has worked with us enthusiastically throughout the season. We also thank Miss Tate, Miss Child, Mrs. Whittaker, Mrs. Williams and Miss Fish for the help they have given with matches and Mr. Rhodes for keeping the pitch in such fine condition.

D. Lumby (Captain).

Hockey 2nd XI

Back Row L-R: Miss M. Musgrave, Marlene Hollinworth, Pat Snow, Janet Marston, Mary Ellis.

Front Row L-R: 1, Carol Johns, Sandra Parkin, Irene Thorpe, Pat Cockburn.

This has been a season of moderate success for the second Hockey XI. We have [Played 15 matches, won 10, drawn 2, and lost 3](#). The members of the team have striven together to achieve not individual merit, but a team victory. In a team of consistent players, credit must be given to Carol Johns and Janet Marston, whose defensive play has been thoroughly steadfast. Mary Ellis's speed and her selective shots at goal, have enabled her to top the good-scoring list, assisted by the enthusiastic play of the rest of the forward line.

Our success this season has been due not only to good team-work, but to the willingness of Miss Musgrave, Miss Tate, and Miss Child, who have given their valuable time and experience to help coach the players.

S. Parkin (Captain).

Girls Under 15 Hockey XI

Back Row L-R: Miss E. Tate, Jean Merrington, Sandra Snow, Wendy Hebden, Christine Kenyon, D. Head, Susan Thorpe, Miss G. Child.

Front Row L-R: Christine Nicholson, Ingrid Beresford, Margaret Purcell, Maureen Dillon, Pat Snookes, S. Wilson, Doreen Dakers.

This has not been a very successful season, the Under 15 winning only one match, drawing three, and losing five. In spite of this, we have improved considerably. Perhaps with more practice, we should have obtained a better standard. We would like to thank Miss Musgrave, Miss Tate and Miss Child, for giving up their spare time to train our team.

Netball 1st Team

Back Row L-R: Miss M. Musgrave, Janet May, Isabell Snowden, Christine Gaskell, Mr. R.W. Hamilton

Front Row L-R: Ursula Hughes, Sylvia Gaskell, Margaret Penny, Janet Noble.

This year the First Team have played only three matches of which they have won two. Fortunately their enthusiasm has not been dampened by the lack of fixtures, and practices, though irregular, have been well-attended. With regard to the Second and Junior teams their enthusiasm outweighed their ability, but doubtless future years will show a marked improvement.

Inter-Form Netball 1960

An innovation in the School's netball activities has been an Inter-form Netball Tournament organised by Miss Musgrave. Those taking part have shown great keenness, especially the junior teams who perhaps have been urged on by thoughts of meeting the Upper Sixth in the final. The Tournament was eventually won by the Upper Sixth.

The following players were awarded Netball Colours:

Front Row L-R: Janice Hellewell, Dora Lumby, Carol Jordan, Dilys Hughes.

At the beginning of the season four players remained from last year's very successful first team. We began the season rather poorly by losing the first two matches, but then we redeemed ourselves by winning several. Although the Second Six has not experienced much success both teams have enjoyed the matches and look forward to a more rewarding season next year. The tennis of the School is gradually reaching a higher standard and this, we are sure, is due to the excellent coaching of Miss Musgrave and the continuing interest shown by Mrs. Williams. We would like to extend our thanks to them for giving us confidence, and hope that we shall do them more credit next season.

Results: so far this season, the First Team have [won 4 matches and lost 3](#). Colours have been awarded to Carol Jordan, Dilys Hughes, Dora Lumby and Gwen Cavanagh.

Carol E. Jordan, Captain.

The rounders teams this year have had a moderately successful season. There have been four teams in action this term, the 1st, 2nd, Under 15, and Under 14. Matches have been arranged every week and we have been fortunate in that none have been cancelled because of bad weather. All the players seem to have enjoyed the season, despite the lack of sparkling results.

Results, so far this season:

1 st IX.	Played 4	Won 2	Lost 2.
2 nd IX.	Played 4	Won 2	Lost 2.
