Girls' First XI Hockey

This season has not been very successful. We have won only 3 matches, drawn 3 and lost 9. It is significant, however, that there has been a tremendous improvement throughout the year. Only three members of the 1960-61 team remained, which meant that there had to be a total reconstruction of the team. The lack of enthusiasm among some of the senior members of the School created a further problem as the 1st XI members had, in the main, to be drawn from the Fifth and Middle Forms of the School. Yet once the team had been chosen, conscientious work and determination helped to overcome the lack of experience. The forward line and backs have greatly improved throughout the season. Lynne Cartledge, the goalkeeper, has played really well against the most difficult opposition. Special mention should be made of Linda Birch and Jacqueline Leonard without whose intelligence and skill the team would never have been able to improve so much.

Colours

Re-awarded to T. Cosgrove and J. Leonard.

Colours to L. Birch and L. Cartledge.

2nd XI Hockey

The 2nd XI have not had a very successful season. Only two of last year's team remained and the team has been unsettled for some of the season. This has been noticeable especially in the forward line where the players showed a marked inability to score.

The unfavourable weather resulted in mid-season match and practice cancellations and this did little to boost enthusiasm or improve teamwork. Some improvement has been shown towards the end of the season and was rewarded with a 13-0 victory in the final match. We would like to thank Miss.

Musgrave for training the team, the staff who have assisted with the umpiring of matches, and the ground staff for keeping the pitches in such good condition.

J. Davies (Captain)

Girls' Hockey Under 15 XI

The under 15 team have had a very successful season losing only one of the eleven matches played. In all, 24 goals have been scored for the team, and 10 goals against. At first the team was a little unsure and drew against Don Valley HS and Ackworth.

Later, as the team began to settle down, the scores improved and we had victories against Thornes House GS and Goole. After Christmas we were unfortunate in losing two of our players who were promoted to the 1st X1. (Pat and Jean Kilvington).

Unfortunately the team became rather unsettled but improved after some rearrangements, and won the last five matches. Several inter-school matches have been played this season. We played a representative team of the Colts XV on two occasions losing the first 2-1 (after extra time!) and drawing the second match 1-1. We have also played the first X1 losing 2-1, and a combined team of Mistresses and U13 X1 players winning this match by 1-0. Our thanks go to Miss Jennings for her help and encouragement, to the other members of Staff who have helped us, and to Mr. Rhodes for his care of the pitches.

Jennifer Swift (Captain)

Girls' Hockey Under 13 XI

The under 13 team have had a fair season, winning two of the four matches they played. The result of the first match was disappointing for we lost to Don Valley High School by 7 goals to nil. Our second match was not as disappointing, Rothwell won 2-0. The third match we played was much more encouraging, for we beat Rothwell by 2-1. The goals were scored by J. Jones and L. Hall. Our last match of the season was played well, for the players worked together as a team. We won the match against Don Valley HS 4-1. Goals were scored by J. McClure, J. Peace and J. Jones(2). Although we have had only four matches this season, the U13 team have been very keen and enthusiastic. Practices have been held regularly and have been well-attended. As this is only our second season of hockey we were pleased with the results of the last two matches.

So far this year the Tennis teams have not been very successful and match results have been disappointing. Practices have been difficult for not only are two courts out of action but the weather has spoilt both practices and matches. Already two matches have been cancelled and two other matches were played in heavy drizzle under grey skies. However practices have been well attended not only by team member but by other girls who are keen on improving their play.

This year two Singles Tennis Tournaments have been organized, one for Senior girls and the other for Junior girls, and we look forward to hearing the results of these later in the term.
