### **Sports and Parents' Day - July 23rd 1930**

On the Wednesday of the annual Parents' day, the inclement weather caused the postponement of the school Inter-House Sports. Nevertheless, a crowd of parents and friends were present to view a really fine exhibition of needlework, art, photography, woodwork, metal work, cookery and scientific apparatus. The school had placed on display the evidence of its broader educational activities not solely connected with academia. The laboratory, with its array of chemical apparatus and many ingenious appliances invented by the students proved the greatest attraction. The needlework exhibition contained some beautiful examples of dressmaking (some of which no doubt had been modelled during the previous week's Mannequin Parade), millinery, embroidered lingerie, catchets, pochettes and hand-made flowers. A tapestry door curtain representing a cottage garden was much admired. There were some interesting specimens of photography, and the samples of cookery found a ready sale.

The Headmaster announced that the sports would be held the following Saturday, weather permitting, and although there is no report of the overall results of the events, a mention that they did take place is made in a related article printed the following week about a girl athlete.

### **Girl Athlete**

Kathleen Sayles, aged 16 and from Fitzwilliam, established herself as the champion girl athlete of the school and the district by her successes in the events at the 1930 school Sports. In becoming the *Victrix Ludorum*, Kathleen had obtained the highest aggregate of points, and demonstrated athletic ability above the average. The Cup had been won by Kathleen for three years in succession, and therefore became her own property. Her record over the previous three years was as follows:

1928 - 1st Girls' 100 yards open, time 12.8 secs; 1st 120 yards hurdles open, time 20.2 secs; 1st 220 yards open; 1st long jump.

1929 - 1st 100 yards open, 12.5 secs; 1st 120 hurdles; 1st 220 yards open, 1st long jump

1930 - 1st 100 yards open; 1st 220 yards open.

## The Tenth Sports and Parents' Day, July 22nd 1931

The day's weather was fine, and in the 40 or so events, records were broken in the long jump and throwing the discus. In the high jump, Hedley Wright beat by one inch the record set by his brother in 1929. At the conclusion of the athletic events, a solid silver cup was presented to the school by Ald. Price on behalf of the South Elmsall Pretoria W.M. Club, who gave it in appreciation of the services rendered by Ald. Price, and in the hope that it would be used as an inter-House trophy in a competition which would include art, music, reading and domestic work. In handing the cup to Mr. Jenkinson, Ald. Price reminded the audience that the same club had two years previously presented two scholarships for children of members of the club. Mr. Jenkinson suitably acknowledged the gift.

At the conclusion of the sports, the prizes were presented by Mrs. Blackmore, a member of the Governors, and later an arts and crafts exhibition was held. A cricket match, parents v. boys, and a tennis match, mothers v. girls were also later played on the school grounds.

Following the sports a cricket match, Parents v. Boys, and a tennis match, Mothers v. Girls, were played on the school grounds. In the evening a cricket match between sides representing the School and Parents was watched by a large crowd, Ald. G. Price captaining the parents' fifteen against the regulation eleven pupils. The elders took first knock, and owing to a bright innings by Price, jun., the respectable score of 102 was made. This proved too much for the school, who were dismissed for 93. Ald. Price had a turn with the ball, and managed to secure two wickets for 15 runs, the younger Price having 3 for 10.

## The Eleventh Sports and Parents' Day, July 20th 1932

Weather conditions for the annual sports and parents' day at the Hemsworth Secondary School were ideal, and a large number of parents and friends were present. The sport was of the usual high order, thanks to some splendid arrangements by the school staff, which ensured the completion of an extensive programme without hitch of any kind. A section of the pupils having previously given practical proof of their abilities in winning the sectional championships for the second successive year at Huddersfield meant that excitement was assured. There were several smart performances, with the chief interest centred in the sprints and the furlong races, in which competed the school's outstanding athletes. Expectations were realised when a stirring finish of the senior boys' 100 yards produced a fine struggle between three of the contestants, with inches only dividing them at the tape. The school record was beaten in this event, with the clock showing the fast time of 10.6 secs. The 120 yards senior boys' hurdles was also a good race, with all the competitors taking the obstacles in a dead line, and it was only on landing over the last hurdle that Croft gained a slight advantage to win. The high jump for the senior boys also produced a keen struggle between Bernard Hemstock and Ernest H. Wright, the former winning after Wright had sustained a fall in the take off.

The House championship ended in a tie between Price House and Guest House, with 70½ points each, Talbot securing 64½ and Holgate 43½.

At the conclusion of the sports Mr. Gabriel Price, M.P., gave a short address, in which he spoke appreciatively of the Hemsworth Secondary School, which had a record second to none for all-round excellence. An exhibition of arts and crafts was held in the school, and as showing the sporting trend of the mind of one young artist there was included a picture of the English F.A. Cup, with players in action, under the title, "The Way to Wembley." In the evening a cricket match between the School team and parents was easily won by the School, though Mr. Price managed to secure 3 wickets for 20 runs. For the School, Heath obtained 10 wickets for 24 runs.

## The Twelfth Sports and Parents' Day, July 19th 1933

Fine weather favoured the twelfth annual sports of the Hemsworth Grammar School on Wednesday July 19th 1933. There was a large crowd, and keen racing took place, and 10 new records were set up. Croft gained several brilliant successes for Price House and set up a record of 10.4 secs. in the senior 100 yards, and did the record time of 24.2 secs. in the senior 220 yards. He narrowly missed the Victor Ludorum by 1½ points.

The principal winners were:

Senior boys, Williamson (Talbot House), Junior boys, Wade (Talbot)

Senior girls, K. Fairs (Talbot), Junior girls, H. Cooper (Price).

The House Challenge Cup was won by Talbot with 87½ points, Guest being second with 55½, Price third with 53½, and Holgate fourth with 50½.

The distribution of awards was made by Mrs. G. Price, wife of Ald. G. Price M.P., Chairman of the Governors, who was unable to be present. Capt. L. Hallam (vice-chairman) said their students excelled in scholastic work, and it was a pleasure to find they also excelled in sports. He particularly referred to the performance of Croft, in whom the school had an excellent runner. They hoped he would go a long way. The school was going on from success to success, and they were proud of their results. The Frickley Band, conducted by Mr. N. Thorpe, played.

The officials were: President, Mr. A. G. Jenkinson (headmaster); organisers, Miss Harrison, Mr. Manning, Mr. Shiells; ground manager. Mr. Hyde; recorder, Mr. Collette; judges, Miss Kenward, Miss Wilde, Miss Wright, Mr. Crossland, Mr. Scourfield, Mr. Storer.

## The Thirteenth Sports and Parents' Day, Wednesday, July 20th 1934

A large and interested gathering of parents gained an insight into the sporting abilities of the students of Hemsworth Grammar School at this annual event, which took place in the school grounds during fine weather. Several new records were established. The boys' senior Victor Ludorum was Kenneth Croft and K. Fairs retained the senior girls' Victrix Ludorum for the second year. Roland Armitage won the junior boys' trophy and Dorothy Green was the junior girls' champion.

The final placing of the "Houses" was close, Talbot House winning the challenge cup with 68 points, Price House being second with 65 points, Holgate third with 60 and Guest fourth with 24 points.

In the Boys' Tug o' War, Talbot beat Holgate

The officials were:

President	Mr. A. G. Jenkinson (Headmaster)
Organisers	Miss Harrison, Mr. Scourfield, and Mr. Hyde
Ground manager	Mr. Hyde
Recorder	Mr. Collette
Judges	Misses Kenward, Shortridge, and Wright, and Messrs. Crossland, Augur and Storer
Stewards	the Governors and staff

Outstanding performances were those of the two senior champions, Kenneth Croft and K. Fairs, along with Heath in the High Jump. Heath and Croft each jumped 5ft. 1 | ins, which was two inches higher than the previous record, while Miss Fairs' jump of 4ft. 6ins. beat the previous best height by one inch. J. Wardle and G. Redfern also established a record in the junior girls' high jump by clearing a height of 4ft. 1 | ins., which was 1 | ins higher than the former record. The awards were distributed by Mrs. Guest, a member of the school's governing board, who was supported by Mrs. G. Price, Mrs. E.L. Dooley, and Mr. A. Richards (Governors), and Mr. A. G. Jenkinson (headmaster). The Frickley Colliery Band played selections during the afternoon.

### Crafts Exhibition

Considerable interest was taken by the parents in an exhibition in the school hall of the students' work in arts and crafts, cookery and needlework, woodwork, metalwork, and machine drawing. Tea was served in the dining hall. A dancing display was given, and a Parents v. School cricket match in the evening was won by the School by nine wickets. The parents scored 73 and the school replied with 86 for 1 (Wade not out 50, Shaddock not out 23). The day's proceedings were wound up with some friendly rivalry between the mothers and school girls on the tennis courts.

### **Parents' Day**

[An account from a pupil who participated in the day](#)

The Annual Sports and Parents' Day was again most popular and successful, a very large crowd of parents and friends assembling under favourable conditions. No apology is needed in referring to the general regret that Mr. Gabriel Price, the highly respected Chairman of the Governors, had, during the preceding year, passed away. Mr. Price had always thoroughly enjoyed the Sports, and was in his element in leading parents in the Cricket Match against the School XI. To say the least, Mr. Price's absence created a gap which will not readily be filled.

The Sports were of the usual excellent standard. Many previous records were broken in some really fine performances, notable in which were K. Fairs in the Senior Girls' High Jump, with a height of 4ft. 6ins., and in the Senior Boys' High Jump by Heath and Croft who each cleared 5ft. 1½ins. J. Wardle and G. Redfern tied, at 4ft. 1½ins. in breaking the Junior Girls' High Jump record. There was a great struggle for the House supremacy, Price House after a big effort, being three points below the total of 68 points obtained by Talbot. Holgate being third, with 60 points, and Guest House fourth with 24 points. Croft, Price House, secured the Senior Boys' Victor Ludorum Cup and Medallion, Armitage being Junior Boy Victor Ludorum, and K. Fairs and D. Green champions in the Girls' Senior and Junior sections. The most popular success of the day was recorded by Denham in the mile. He ran a wonderfully judged race, and finished like a veteran in holding off the challenge of Brown, who made a great effort to overhaul the smaller boy. At the conclusion of the Sports, Mrs. S.E. Guest, of Ackworth, graciously presented the various prizes. Following an excellent tea provided by Mrs. Manning, members of the School gave an exhibition of dancing in front of the School, and then the Cricket Match took place, which ended in an easy win for the School, Wade in his usual carefree style reaching his half-century. The tennis match, Mothers v Girls was much enjoyed and resulted in a win for the Mothers.

Thanks are due to the Headmaster, Mr. Jenkinson, and the whole of the School Staff for their efforts, and the arrangements for the success of the School Sports, which were voted by the Spectators as the best ever held in connection with the School.

## The Sixteenth Sports and Parents' Day, Wednesday, July 21st 1937

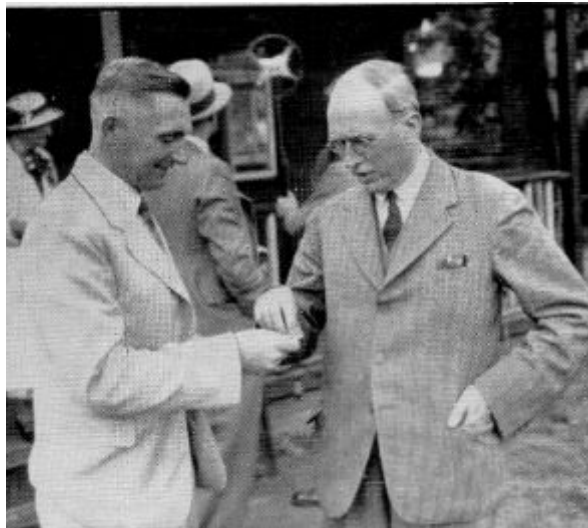

The beautiful grounds of Hemsworth Grammar School were thronged with visitors on Wednesday for the Annual Parents' Day and the sixteenth annual sports. Although the sun shone throughout the afternoon, a chilly breeze blew across the ground and conditions underfoot and on the sports field were rendered very "soggy" by the morning's downpour. Despite the greasy conditions there was some good racing and no fewer than seven records were broken. After a close fight for the House Challenge Cup, Price drew away and wrested the trophy from the present holders, Holgate, by a margin of 36½ points. Price's aggregate number of points was 110, Holgate had 63½, Talbot was third with 43, and Guest fourth with 35½. Price had largely to thank Harry Walker and Harwood for their victory. Both boys carried off the Victor Ludorum Cups, Walker the senior and Harwood the junior.

Harwood had the best performance of the day. Not content with carrying off the Victor Ludorum Cup in the junior section, he entered the majority of open events and broke three records. In the open class for throwing the discus he added 4ft. 6ins. to the record with a throw of 84ft. 6ins. and in putting the shot a throw of 41ft. 11ins. put 3ft. 4ins. on to the record. In the junior class he gave a fine exhibition of high jumping and beat the previous record of 4ft. 8ins. by 1½ ins.

Walker was in fine form, giving a great all-round display, and he added 6ins. to the senior long jump record with 19ft. 2ins. The fastest time set up for the mile handicap was gained by Eric Nuttall, of Holgate, who lowered the record from 5min. 12secs. to 4mins. 55.8 secs. Starting from scratch, Nuttall had worked his way to the front by the end of the second lap and keeping up a marvellous pace had a lead of about 200 yards at the end. Gleave (Holgate) threw the javelin 115ft. 9ins. to raise the record by 1ft. 9ins., and Chapman (Talbot) clocked 56.6 secs. for the quarter mile. This reduced the record by 1.2 secs.

The Junior Victrix Ludorum was carried off by Blanche Eyre (Price) with 12 points. For the first time in the history of the school two girls tied for the honour of Senior Victrix Ludorum. They were Rita Needham and May Harby, both members of Guest House, who each received a medal.

Cups and medals were presented by Mrs. Guest, a member of the School Board of Governors. She was supported by Mr. A. Flavell, C.C., J.P., (Chairman) and other Governors, **Major A.G. Jenkinson (headmaster) and Mr. R. Hamilton, who is to succeed Mr. Jenkinson when he retires next week.** Both Mr. & Mrs. Hamilton had been interested spectators throughout the afternoon.

Mr. R. W. Hamilton (left) and Mr. A.G. Jenkinson

Mr. Jenkinson welcomed the parents and mentioned that it would be his last sports day as headmaster. He hoped, however, to be present at many more in the future. Moving a vote of thanks, Mr. Flavell wished Mr. Jenkinson luck.

The officials were:-

In the evening the annual cricket and tennis matches, "Parents v. Students" were played. The cricket match resulted in a 17 runs victory for the parents, who batted first and scored 71. The school were dismissed for 54.

## Sports Day July 20<sup>th</sup> 1938

Wednesday – the day of the 17<sup>th</sup>. Annual sports and parents' day of Hemsworth Grammar School – was a record breaking day. The weather was at its best, the attendance was up, and four records were broken. The cricket field, where the sports were held, presented a colourful and picturesque scene. Bathed in summer sunshine, dresses and blazers contrasted prettily against the greensward, the music of the band floating on the air, the picture was completed by the varied greens of the tall trees surrounding the field.

The 31 races on the well-arranged programme were all keenly contested, despite the fact that Price House won the House Challenge Cup by a wide margin. Holgate were second, Guest third and Talbot fourth. The winners received a great deal of help from Harry Walker, head boy of the school, who retained his title of Senior Victor Ludorum, and Alwynne Younge, who, in the junior events, swept all before him, gaining firsts in all five. He was Junior Victor Ludorum. Walker was keenly challenged for his title by Ronald Gleave, of Holgate, who was only one point behind. Both boys broke records, Walker with a jump of 19ft. 4½ ins. adding 2½ ins. to the senior boys' long jump, and Gleave, with a grand throw of 136ft. 6ins, topping the record for throwing the javelin. Rita Needham (Guest), who last year shared the title of Senior Victrix Ludorum, won it outright this year, and included among her victories was the 220 yards flat for which she lowered the time by 1.4 secs. to 29.2 secs. There was a fight for the Junior Victrix Ludorum title, which Rita Schofield, of Holgate, just snatched by one point from P. Carter of Price. The other record broken was that for discus throwing, which Wilson gained with a throw of 85ft. 8ins.

The awards were presented by Mrs. P. Hamilton, mother of Mr. R. W. Hamilton, headmaster, and a vote of thanks was moved by Mr. A. Flavell, J.P., chairman of the Governors.

After tea had been served in the school dining room the parents were allowed to inspect the school. In the school hall an industries exhibition had been arranged, those in charge being: Mr. D. Hamilton (Arts & Crafts), Miss Euler (Cookery & Needlework), Mr. H. Augur (Woodwork, Metalwork and Machine Drawing). During the afternoon selections were played by the Ryhill Silver Prize Band, conducted by Mr. G. Smith.

The officials for the sports were: President, Mr. R. W. Hamilton; organisers, Miss Harrison and Mr. Nelson; ground manager, Mr. H. Augur; recorder, Mr. L. Collette; stewards, The Governors and Staff; starter, Mr. Manning.
